La Mascaronne is located off the N7 National Road (Via Aurelia in Roman times), between the towns of Brignoles and le Luc. The N7 is parallel to the Provençal motorway (A8) which runs from the Italian border west past Nice to Aix en Provence (Marseille).

Coming from Aix via A8:

- Exit the A8 at Brignoles (exit no. 35).
- Take the Brignoles bypass direction Le Luc (after toll, take left at first roundabout, straight through the second roundabout, left at the third roundabout).
- Then follow N7 east for 15 km passing Flassans on your right. Continue on N7 2.4 km after passing Flassans, then turn right off the N7 in direction of Commanderie de Peyrassol. *

Coming from Italian border/Nice via A8:

- Exit the A8 at Le Luc and take the N7 west direction Brignoles (do not take A57).
- After 10 km on the N7 you will pass the sign for La Grillade au Feu de Bois on your right. Shortly after (1.5 km) turn left off the N7 in direction of Commanderie de Peyrassol. *

* After leaving the N7 in direction of Commanderie de Peyrassol:

- Follow the signs to the Domaine de Peyrassol for 1.2 km. Then pass through the Domaine with all the main buildings to your right for 1.9 km. At the exit of Peyrassol turn left on the public road for 50 meters, then turn left to enter the Domaine of La Mascaronne. Pass through the forest for 500 m.
- When you arrive at the vines (you will see the buildings in front of you) turn right and follow the road around to the buildings and the parking area (500 m).
